INTERNATIONAL SCHOOL OF PRAGUE

The Search for a New ISP Director - A Survey

18.09.2019

Dear ISP Parents,

As part of the search process for the next Director of the International School of Prague (to be installed in July of 2021), the search firm RG175 requests your anonymous participation in completing this survey, which will remain open from now through September 28th.

Your responses are confidential, even to the RG175 consultants, Coreen Hester and Mark Ulfers (former Directors of the American School in London and the American School in Paris, respectively). Community input is extremely important and will be used by Ms. Hester and Mr. Ulfers to create a full position statement that will be sent out to school leaders worldwide. The results will also be shared with the ISP Director's Search Committee.

If you are not already aware, Ms. Hester and Mr. Ulfers will be on campus next week to conduct focus group sessions that will help them define key leadership attributes and school needs. If you haven't already signed up and would like to join these sessions, please visit this page.

It is important to reiterate that Dr. Bieber is remaining in his position until June of 2021. It may therefore seem almost too far in advance to begin the process for the new Director. However, the reputation of ISP in the world of international schools is such that the highest caliber candidates will be interested in this position, and we want to ensure that the next Director will be able to ensure their availability to start in July of '21.

Thank you again for your involvement in this process - it is integral to the future of ISP.

Sincerely,

Staffan Erenmalm
Chair, ISP Board of Trustees
