An Important Message re the New ISP Director Search Visits of Finalists (Parents and Alumni)

26.11.2019

Dear ISP Parents and Alumni,

I am writing to encourage you to attend some very important meetings related to the next Director of ISP, which will be taking place over the next couple of weeks.

[Announcing the search in late August](#), followed by the search firm's ([RG175](#)) visit to ISP at the end of September, our best estimate for a visit to campus of the finalists was spring of 2020. However, the work of RG175 and the search committee has proceeded more quickly than anticipated; I am pleased to report to you that the search for our next Director has attracted interest from the highest level of candidates, and the diversity of those candidates has been very rewarding.

This past Saturday, we were able to narrow the field to four finalists. Importantly, we became aware during these interviews that some of our candidates are in the final stages of considering positions at other prestigious schools. We must therefore adjust our timetable accordingly.

As you know, the ability of candidates to meet our community members is a key part of the process; this is a chance for you to not only promote ISP to our future Director, but to pose your questions. Your feedback on the candidates (via Google form) will be requested and will certainly be key input for the decision-making process. All are welcome; if you can join us, please RSVP using the link below.

Per RG175's guidance, the day before the scheduled meeting, we will send a brief bio of the candidate as well as a feedback form.

Visits by the four finalists will take place between Dec 2 and 10th. We realize how busy you are at this time of the year and thank you in advance for taking the time to meet the candidates and share your feedback. Please [RSVP](#) to let us know which meetings you will join for each candidate (they will all take place in the Blue Room.)

Candidate #1: Tues, Dec 3, 09:00 OR 16:30

Candidate #2: Wed, Dec 4, 17:00 OR Thus, Dec 5, 09:00

Candidate #3: Mon, Dec 9, 09:00 OR 18:15

Candidate #4: Mon, Dec 9 at 17:00 OR Tues Dec 10 at 9:00

We look forward to your interaction with and input about the finalist candidates for Director of ISP.

Sincerely,
